Dear Sir...

Referring to the letter of Conicos Company ref no. 18/17 dated on 23/01/2018 which ask clearance from us against consume of electricity energy.

So we inform you that the mentioned company has not any financial obligation to the general electrical company.

And the concerned company takes whole responsibility about sites which used by them and exist on future and not included in the list of sites submitted by them.

Note... this clearance will expired after one month from issue, and not significant unless attached to the list of sites which used by the company.

Our best regards
